

Volunteer

Volunteers come in all sizes, shapes, and ages. They are faithful month after month and year after year. They stay at Henderson Settlement for as little as a few days to as long as a few years.

Volunteers work in program areas like outreach as well as on the farm, in the Thrift stores, with maintenance, special projects, and in administration. They do everything from watering plants in the greenhouse to cutting wood, from volunteering in the office, to helping maintain the library, from working with MIHOW to helping with the after-school program.

Volunteers are vital to the ministry that Henderson Settlement is able to provide to area residents. A volunteer must submit a volunteer application at least a month in advance of desired service date.

volunteer housing

Housing is available for individuals and couples. It is assigned as is available.

length of stay for volunteers

The following outlines costs:

10 days-4 weeks: Volunteer pays cost of meals & housing is free* (minimum of 10 days)

4 weeks or more: Both meals & housing free*.

The expectation for volunteers is that they will generally work a 40 hour week . Volunteers stay as little as one week and as long as a year.

We accept volunteers year round with an emphasis toward filling areas with specific staffing needs

* No cost to the volunteer however the department you are volunteering for will be billed for your accommodations.

INFORMATION

Work Camp

Work Camp serves two purposes at Henderson Settlement. First, and primarily, it serves as an opportunity to educate persons in mission and the needs that exist amongst the less fortunate in our society. Secondly, work camp often serves as the bridge between dreams and reality for families of the Laurel Fork Valley of southeastern Kentucky and northern Tennessee, while giving groups the opportunity to witness for Christ through home repair.

Work camp teams travel within a twenty mile radius from Henderson Settlement located in Frakes, KY and within a few miles from the White Oak Center in Duff, TN.

Work teams are able to adopt home repair projects and raise the money for the project, adopting projects within their team's means. The project (or projects) a team selects should be equal to the skill level of the team leaders.

Projects can also be adopted on both the Henderson Settlement and White Oak campuses that help maintain the ministries we can't take out into the community.

Leaders need to schedule a date as soon as one is determined. The months of June and July as well as early August are usually the quickest to fill up.

Cost
