

## **Home Visit with Charlene Partin**

Charlene lives in Hamblin town with her daughter-in-law and granddaughter.

She is dealing with a lot of health issues lately, due to having COPD and numerous fractures in her back. Charlene is still grieving over the loss of both of her sons that passed away last year.

She has a beautiful alto voice and used that talent for the Lord. She missed going to her church and singing.

Charlene is a widow and lost her husband a few years ago. Her husband Frankie Partin was raised in Frakes.

She seemed delighted to see us, and was ever so grateful for our visit and for the meals.
