

## **Home visit with Faye and Wayland Miracle**

Faye and Wayland have been husband and wife team for 57 years. They have been devoted members of the New Vine Church until Wayland was diagnosed with dementia. Faye is a loving and caring caregiver for her husband. Faye is one of Nona Hatfield's daughters. Wayland is a brother to Ruby Maiden that has also been diagnosed with dementia also.

They invited us into their home with a huge welcome. Thanked us for the lunch and 30 min visit.
