

Home Visit with Helen Huddleston

Helen lives on Teague Mountain in Eagan TN, she has beautiful views of the mountains.

Helen was born October 16, 1938 in Clairfield Tn and has seven brothers and sisters.

Helen and her husband had done a lot of traveling before retiring to Tennessee from Ohio. They had Seven babies during their marriage but lost them due to early births.

Helen had a few jobs in her early years, but stated that caring for children had been her best job ever. She and her husband truly loved children and children loved them.

Helen gets most of her help from her sister Ruth powers, a senior volunteer at Henderson Settlement, and her husband Allen. She thanks us for the visit and her lunch.
