### Virus Containment Plan

#### Programs

- Identify critical community needs
- Adjust program delivery to address critical needs
- Defer non-essential programming (communicating approach during deferral period)
- Designate & prepare a location to be used as an isolation facility should on-campus illness occur

#### Communication

- Develop, deploy and routinely update aligned operational plan
- Staff Communication – initial expectations, and ongoing updates
- Community Communication – initial expectations and ongoing updates
- External Volunteer Communication – Work Camp and Volunteer Participation plan

#### Sanitation (beyond normal high levels of operation sanitation)

- Hand wash stations identified and supplied
- High-touch surfaces disinfection – common areas of highest focus
- Suspend use of non-essential facilities to enable focused use of resources

#### Resources

- Verify supply lines for critical need programming
- Verify inventory of required containment supplies

#### Co-ordination

- Weekly Lead Team sessions with subsequent deployment to staff
- Pop-up daily crisis control sessions, should situation warrant
- Augment local school efforts ... do not duplicate
