

Home Visit with Porter and Ruby Maiden

Ruby enjoyed singing at her church over a period of time until dementia set in. She could not recall our names but smiled and welcomed us in.

She was a former hairdresser, using her basement for her business. She has long since retired. Ruby loved to come to our Wednesday devotion. We miss Ruby and her lovely voice.

Porter and Ruby are members of New Vine Church, where Porter was a past Sunday school teacher. He was also a land survey and a bee keeper. Being a former air force member we thanked him for his service.
